Plan To Hold New Registration Of CD Volunteers To Reorganize Rescue Squad At Meet Tonight

Civilian Defense Director Arthur J. Bodien, this week, outlined plans for two major steps in the improvement of Daly City's civil protection program.

Of major importance is the move to hold a new registration of all civilian defense workers. This will be handled through the heads of the various C. D. services. At the same time, new volunteers are urged to sign up at the city hall headquarters, Room 2, 75 Wellington avenue. When the registration is completed it is expected that the many names, which represent persons who have moved away from Daly City or who take no active part in the program, will be off the list. Then, the official list of civilian defense personnel will represent only men and women actually standing by and ready for their roles in the event of disaster.

Bodien pointed out that the re-registration is being held at the request of the federal government, which has announced adequate compensation insurance for those civilian defense workers who might be injured in the line of duty. Naturally this service will apply only to bonafide volunteers.

All services in the city have issued an appeal for new volunteers to augment their ranks.

"If you have not taken your place in the civilian defense set-up, now's the time to do so," Bodien remarked. "Those of us who are safe at home owe it to the men in the trenches to protect their property and the lives of their families in their absence."

The new registration blanks will be ready in a week or ten days, Bodien advised.

Tonight, May 13, at 8 in the city hall, Bodien has called a special meeting to reorganize the rescue squad. All building mechanics, including carpenters and plumbers, are urged to be present as they are the men fitted by experience to handle this important phase of civilian defense. Those desiring more information before coming to the meeting may call either Lewis Canepa, Delaware 1615, or August Donati, Randolph (Continued on Page 2)

Bob Baker Leaves For Army Service

The Daly City Record just isn't the same place, this week, as its best reporter leaves for service with Uncle Sam's Army. We're speaking of Bob Baker, who for more than two years has covered the city beat here. For the past nine months, Bob has been doing a double job—reporting for us, mornings, and afternoons and evenings working at the federal docks on the San Francisco embarcadero, loading war supplies for the Pacific area.

Bob has made a host of Daly City friends, at the city hall, in the schools, all around town. They and The Record wish him well and will have a very hearty welcome awaiting for him when he returns to Daly City and his typewriter at this office.

This makes the fourth member of The Record staff to leave for service with the armed forces. Bill Groerer, Aaron Dykman, and Melvin Dykman preceded Bob into the services. Incidentally, this makes as good a time as any to announce that the publisher, Albert H. Boynton, has taken a job as instructor in aircraft mechanics for army personnel at a Bay area airbase. That's why his hours at The Record are on the erratic side. However, what is left of the staff is carrying on, and you will find prompt attention to your need, be it news, or job printing, or even advertising.

GARDEN PEST!

Who's the meanest person in town?

Youngsters at General Pershing primary school have a very good candidate in the low-form-of-life which, this weekend, stole their onion crop, right out of the School Victory Garden. Just ready to harvest, the onions, about a 20-foot strip of them, were made off with by someone with no sense of ethics a-tall.

Anyone who would rifle a local Victory garden is pretty bad but stealing from youngsters 5 to 10 years old, to whom such a disappointment looms terribly large, is beyond comprehension.

It's really too bad the onions were not liberally sprayed with arsenic. If there's any justice maybe it will turn out that they were!

'Ladies And Liquor' Don't Seem To Mix

The ladies and "the little brown jug" mixed with disastrous results, this weekend, according to reports filed at the Daly City Police department.

One woman was involved in an automobile accident at San Pedro road, near Mission street, Sunday night. When Officer Walter Davis and Sergeant Ricco Benedetti answered the call, they found her to be driving while under the influence of intoxicating liquor. She was released on \$100 bail, set by Judge William J. Sweeney, to appear at court, tomorrow, May 14 at 2 p. m. Only property damage resulted when the woman's car rammed into that of a Fort Mason soldier.

Another lady ran afoul of the law when Officers Henry Sundermann jr. and Roland Petrocchi found her driving north on Mission from Park avenue in a very erratic manner, Sunday, May 9, at 2 a. m. When stopped by the officers she was found to be intoxicated and to have no driver's license. Brought to police headquarters, she was released at 8:15 a. m. on the payment of \$50 bail to appear tomorrow, May 14, 2 p. m. in Judge Sweeney's court.

Another case of too much of the wrong liquid diet seemed to be indicated when Officer Walter Davis answered a Monday, May 10, call to find a woman walking on Los Olivos avenue in her bare feet. He returned her to her home.

Other weekend police news found the usual quota of lost gas and food ration books reported, drunks found sleeping in restaurants and on street corners, missing children safely returned to their homes, a false alarm and no culprit apprehended, and fist fights.

One instance of the speed with which the local police department works was given, Monday, at 12:20 a. m., when Officers Petrocchi and Sundermann, accompanied by M. P. Sousa, answered a call in the South end of the city. Advised that there had been an attempt at rape on a local girl they immediately patrolled the neighborhood and picked up the accused soldier a few minutes later. The soldier was charged with assault with intent to commit rape and on Monday morning was released to Deputy Sheriff George Krehl.

NAME SPEAKERS

Jefferson Union high school, this week, announced the student speakers for the June, 1943, commencement exercises to be held, Wednesday evening, June 16. Walter Cavagnaro, president of the senior class, will make the address of welcome, while the farewell will be given by Ralph Capps, president of the student body. John Mosman, with the highest grades for boys, will be salutatorian, and Louise Baciocco, with the best scholastic record among both boys and girls, will be valedictorian. Gwendolyn Stegeman will also speak during the program.

In the boys' division, runners-up for first place honors were Rex McCardell and Clayton Kollman. Next highest girls were Carol Bryant and Mary Seidel.

Conchita Morales Wins Second Place In State

—Photo By John Craig

The smiles on the people photographed above are perfectly understandable. The young lady in the middle, Conchita Morales, is receiving word from Mrs. Walter J. Lehigh (right) and Mrs. Dorothy Pendergast, English instructor (left) that she won second place in the entire state of California in the recent essay contest, sponsored by the Auxiliary to the Veterans of Foreign Wars.

In addition to this signal honor, Conchita's essay, "United We Win," took first prize in the Eighth district, V. F. W. auxiliary, which extends from Daly City to Salinas. Mrs. Alice Gaxiola, department essay chairman for the district, will present her with an award, Sunday, May 23, at the Eighth district meeting in Santa Cruz. Her essay will be entered by the Department of California in the national Americanism essay contest, along with two other California entries.

Locally the contest was sponsored at Jefferson Union high school by Old Glory Auxiliary No. 2044, V. F. W., with Mrs. Lehigh as chairman, and The Daly City Record.

Approximately 200,000 high school girls and boys throughout the country wrote 500-1,000 word essays on the assigned subject, "United We Win."

All state winners will be eligible to compete in the national finals in which a total of \$2,000 in cash will be awarded as follows: \$1,000 (and a gold medal,) first prize; \$500 and a gold medal, second; \$250 and a gold medal, third and \$100 and a gold medal, fourth.

Inaugurated in 1935, the V. F. W. Auxiliary's annual Americanism essay contest has become widely popular. Approximately 2,500 local chapters of the auxiliary conduct the preliminary stages of the contest in their respective communities.

New Group Of Men Will Be Inducted, May 15

Daly City Draft Board No. 103 has been processing men to meet the first May call for 139 draftees, Saturday, May 15. According to Mrs. Isabelle Flynn, clerk of the local board, the full contingent will probably not report, as many last minute deferrals are coming in.

The group will report at the board headquarters in the city hall, 75 Wellington avenue, tomorrow, May 14, at 2 p. m. for final instructions and appointment of a leader. Saturday morning, they go to 49 Fourth street, San Francisco, for complete physical examinations.

Gray Releases Gas Instructions

R. L. Gray, senior gas officer with the Daly City Civilian Defense council, this week, announced instructions to the general public on self-aid for common war gases.

He received the list of recommendations at a recent county meeting in Burlingame, where Colonel Fox of the medical division for the Ninth Regional Office of Civilian Defense outlined the importance of civilian familiarity with self-protection.

Colma Council Clarifies Ordinance

Terms of the ordinance passed, April 12, by the council of the Town of Colma, providing for the licensing of persons "raising, keeping, or feeding cattle," were clarified at a meeting of the council, Monday morning. Mayor Paul Delucchi presided over the session.

Attorney Charles Gebhardt explained the various laws pertaining to licensing ordinances for cities of the sixth class, in which category Colma ranks.

In an individual case which has arisen, where a man raising such livestock has not paid the previous \$10 annual fee, nor made application for a permit under the new ordinance, the tangle of mid-year fees was straightened out. In (Continued on Page 2)

CANE DRIVE

Daly City's response in the drive to collect canes for wounded servicemen has resulted in the donation of only 16 canes, according to A. J. Bodien, who has opened his city hall headquarters, Room 2, city hall, 75 Wellington avenue, as a collection depot.

Local residents who have canes they can give to this worthy cause are urged to bring them to the city hall at once, as Bodien would like to turn the collection over to the hospitals soon.

Council Agrees To Meet Utilities, Rent For Center

Public-Spirited Women Find Appropriate Site

Practical impetus was given the campaign to open a Daly City Servicemen's club, Monday night, when the city council unanimously voted to underwrite the expenses of such a center, up to \$35 a month. This figure is expected to cover rent and utilities.

Mrs. Ann Eason and Mrs. Maisie Boyle, Women's Civic club, and Mrs. Margaret Steele and Mrs. Hattie Keily from El Carmelo Parlor No. 181, N. D. G. W., who have been tireless workers in the effort to open a center for soldiers stationed near here, brought the matter before the council at the May 3 meeting and official action was taken, Monday night. The women report that they have secured the building at 6201 Mission street, property owned by Andrew Vireno, for the site. It will be opened as a pleasant place for the boys to spend their off-duty hours. The organizers pointed out that donations to furnish the quarters properly are needed and will be most welcome. Organizational groups and individual residents are asked to help assure the success of this center.

A resolution declaring the property at 96 Mission circle a public nuisance was passed unanimously. The building inspector was advised to notify the owner that the nuisance must be abated by reconstruction or removal within 30 days. A copy of the resolution was ordered posted on the property and another sent by registered mail to the owner, L. B. Roberts. This action came about as a result of repeated reports from the health inspector and the city building inspector of unsanitary conditions and fire hazards existing on the property.

A demand for \$25,000 was made upon the council by John O. Clarke, through his attorneys, Fahey, Kelleher and O'Connor, for injuries sustained in February when he was hit by the city's police car, at the intersection of Mission and Wellington. The matter was referred by Mayor A. J. Gaggero to City Attorney F. E. Hoffman.

An invitation from the Peninsula division, League of California Municipalities, was read at the meeting, inviting the city leaders to attend the Thursday night, May 20, session of the division at the De Anza hotel in San Jose. Assemblyman Harrison W. Call is slated to speak. Councilmen Edmund Cavagnaro, Eugene V. Lynch, H. H. Smith jr., John J. Fahey sr., and Mayor Gaggero signified intention to attend. Police Chief Reardon and Fire Chief Andrew P. Chesney will also attend.

The weed abatement program was discussed but no final plans could be made due to war-time shortages of help and the fact that it will be impossible to burn off lots during the evening hours as has been previous custom, due to blackout regulations.

Final adoption of the Victory Garden water rates was held over until the May 24 meeting of the council.

Packers Ahead In Summer League

Daly City's Farralone Packers are leading the Peninsula Summer Baseball league with two wins and no losses, by virtue of a 6-2 beating given the touted Owl Drug team at Marchbank park, Sunday.

Going up against Lister, Owl pitcher who turned in a no-hit performance on the same diamond the previous week, the Packers connected for 13 hits. Eight safeties were allowed by the Daly City battery of Pera and Fenech.

WAR FILM OPENS AT DALY CITY

From all the far-flung fields of battle, there has come no more stirring story than the heroic epic of Libya. Appropriately enough Twentieth Century-Fox's picture story of John Brophy's "Immortal Sergeant," which has Libya as its locale, and which opens tonight at the Daly City theatre, is one of the finest films turned out on the war.

Starring Henry Fonda and Maureen O'Hara, "Immortal Sergeant" is that rare cinematic gem—a picture whose authenticity and execution matches its magnitude of theme. The timeliness of the film—focussed on the crucial battle fields of North Africa—coupled with its romantic appeal, puts it on a high plane.

"Immortal Sergeant" is the inspiring story of an indomitable band of fighters who conquer the enemy and the elements. Their leader is the sergeant of the title, but it is the inner battle of the corporal which gives the film its key. Portrayed by Fonda, the corporal "finds" himself amid the inferno of battle on the Libyan sands and emerges as an inspired leader when the death of the sergeant forces him to assume leadership of the patrol.

This is not meant to convey, however, that the film deals exclusively with the battle front. For in every story of a soldier there must be some indication of what he's thinking about—in "Immortal Sergeant" Fonda's thoughts quite naturally turn to home and his sweetheart, Maureen O'Hara.

this instance, the tax collector was instructed to prorate the \$10 for the period from January 1 to May 12, when the new law becomes effective.

Then the owner must apply for a permit from the health department, which if granted, will require the payment of the new fee, prorated at a little more than 27 cents per day, until July 1, then the sum of \$50 for the license for a 6-months period ending December 1, 1943, as is customary with business licenses issued in Colma.

Gebhardt was also instructed to prepare an amendment to existing ordinances which would specifically allow for the collection of business license fees on a 6-months, rather than a yearly basis.

Issue Quarantine Against Dogs, Cats

Deputy District Health Officer Fred Collins, acting for Dr. Charles C. Gans, health officer, San Mateo County Department of Public Health and Welfare, is this week posting rabies quarantine signs in the Daly City-Colma area.

The quarantine, as provided by Section No. 2555 of the health and safety code of the state, states that commencing, May 1, 1943, all persons in the unincorporated areas of San Mateo county and all the incorporated municipalities in the county with the exception of Menlo Park, are hereby ordered to observe the following laws and regulations for the control of communicable diseases:

1. Dogs and cats within the quarantined area shall be kept in strict confinement upon the premises of the owner or if taken off the premises of the owner shall be kept under restraint by a leash not over 5 feet in length and in charge of a responsible person.

2. This order is effective until revoked by a public notice issued by the health officer.

3. Any person, persons, or company violating the provisions of this order will be prosecuted according to law.

Health Director Gans also advised cat and dog owners in this area and throughout the county to have their pets inoculated by a licensed veterinarian.

Jefferson Places Third In PAL Meet

Competing in the annual six-schools PAL conference track and field meet at Palo Alto, Friday, the Class B or 130-pound squad representing Jefferson Union high school placed third, with a total of 22 points. Demonstrating the balanced team entered in this class under Coach Elman Rose the Daly City boys placed in 11 of the 12 events for this group.

The relay team, which finished the season without a defeat and won its event, at 880 yards, in the fast time of 1:37.2, is composed of John Melani, Vince Barsi, Ray Stumpf and Al Chelone.

Jefferson high scorer in this division was Al Chelone, who took second in the 100-yard dash, third in the 220, third in the discus throw and ran on the relay team, for a total of 8 1-4 points. Vince Barsi piled up 6 3-4 points with a second in the high hurdles, third in the low hurdles, fourth in the

Next Sunday, May 16, the Packers meet the Burlingame Cards in that city, while Marchbank park will be the scene of an Owl Drug-Simmons contest. Other games that day include the Moffat Mantecas at San Mateo in a league encounter, while the Belmont Merchants meet the Hendy Iron Works squad in a practice tilt.

Although the opponent has not yet been selected, the Daly City Farralone Juniors will play on the local diamond at 11 a. m., Sunday, preceding the Owl-Simmons game at 2:30 p. m.

Stone Lantz, only Jefferson man to place in the A or varsity division, won ten points with a first place in the high hurdles at 16:2 (a new school record), and a first in the high jump, going five feet, nine inches. He will compete in these events, Saturday, when the North Coast sectional track meet is held at Palo Alto. Also in the meet will be Chelone, entered in the 50- and 100-yard dashes.

In the Class D or 100-pound division, Jefferson took six points with a third in the relay, and a second by John Seimas in the high jump.

TWO OF BRITAIN'S TOP WARRIORS

As zero hour approaches, Henry Fonda and Thomas Mitchell experience the tense nerves well-known to fighting men the world over. In John Brophy's "Immortal Sergeant," the new Twentieth Century-Fox picture now at the Daly City theatre, these two lead their men into the inferno of desert battle and show the stuff of which heroes are made.

Lions Arrange For Ladies Night

Plans for a Ladies Night, to be held Wednesday evening, May 19, are now being made by the Daly City-Colma Lions club. Chairman is Larry Comer, assisted by R. E. Bennett, Ed Byrne, and Bob Fessenden. Dinner will be served at 7 p. m., followed by an evening of dancing and entertainment. Late yesterday, place for the event was not finally set, but members will be advised.

The Lions recently took in a new member, Ed Weisenberger, of Colma.

HURRY UP WITH THOSE "BAUBLES FOR BARTER"

Are you sending any baubles to the South Pacific? If you are still just "intending" better hurry as Saturday, May 15, is the very last day in the Daly City drive to secure "baubles for buddies to barter." Reb's Upholstery shop, 26-28 Hillcrest drive, is the local collection depot for junk jewelry.

R. E. Bennett, proprietor, will turn the Daly City donations over to the San Francisco League for Servicemen, which ships the trinkets to the combat areas in the South Pacific. Here those discarded beads, compacts, earrings, brooches, clips become the where-withal for our boys to bribe the natives to carry wounded, dig foxholes, lug ammunition through the jungles and otherwise make themselves useful.

Remember — those discarded clips and that ancient compact may buy some friend of yours a nicely-dug foxhole when he needs it most. Don't delay—take your collection of junk jewelry to Reb's today!

One Way To Spend Spare Time Well

What do Lions do with their spare time? Not being a jungle expert we couldn't say about the ones with the roars and the manes, but the Daly City-Colma Lions club variety spend their leisure hours (some of them anyhow) building booktrucks for the hospitals for wounded servicemen in this area.

Down in the basement of the R. L. Crane jr. residence at 140 Woodrow street members of the local Lions club are busily assembling booktrucks for distribution by the Junior Red Cross. These handy, wheeled gadgets, are three-shelved and are just the thing to move about the wards where men can select books to while away the long hours of convalescence. Ball-bearing wheels were donated by Gus Nigren and W. J. Sweeney.

Funds for this project were raised by donations. To date the Lions and General Pershing P. T. A. are the only local groups to contribute but Crane assures the public that these two organizations have no desire to monopolize the list. Step right up!

The public relations officer at Sheppard field, Texas, reports that Private First Class Harlan F. Ferrando, son of Mr. and Mrs. J. Ferrando, 51 Whittier street, has graduated from an intensive course in glider mechanics there. He is now prepared to blast the Axis as one of America's "com-

Legion Wins High Praise For Work In Records Drive

Remember the "Records for Fighting Men" campaign held in Daly City during the fall of 1942?

Final stamp of approval on just how successful it was has been received here by Daly City Post No. 410, American Legion, sponsors. At the district meeting in San Carlos, Friday night, May 7, A. G. K. Jakobsen was presented with a citation from national headquarters praising the local post for its work in the drive. Daly City's quota was 3,675 records, while 5,000 were actually collected here. Daly City was the only post in San Mateo county to meet or exceed its quota. In San Francisco only one out of more than fifty posts set such a record, and in the State of California just 24 posts out of more than 580 made the grade.

The citation was presented by Secondary Commander C. H. Whitney. It will be on display at the post's regular business meeting, tonight, at Legion hall.

Other matters under discussion at tonight's meeting include plans for future dances to be given for servicemen stationed near Daly City, and tentative arrangements to participate in the 1943 drive for salvage phonograph records. Last year's nation-wide campaign made it possible to procure funds, from the processing of the old records, to buy more than 300,000 brand new records for the armed forces.

Jakobsen expressed the appreciation of the Legion group for Daly City's fine response last year. Stores, which acted as collection depots, and generous residents made possible the success of the venture, he said. He announces that the new drive is set for July 3-31, 1943.

mandos in coveralls." Sheppard field, near Wichita Texas, is one of the many schools of the Army Air Forces Technical Training command which trains the specialist technicians to maintain this nation's mighty air armada. Ferrando is now eligible to win a rating as a corporal or sergeant and to play a vital role in a new pioneering branch of the service—gliders.

Ferrando is a graduate of Jefferson Union high school where he was an outstanding football player.

Two Colma families have been receiving congratulations on the birth of babies. They are Mr. and Mrs. William Klaisner, who are the parents of a daughter born, May 3, and Mr. and Mrs. William P. Reddehase, parents of a daughter born, April 29.

Clyde H. Ramsey Trains In Illinois

Private First Class Clyde H. Ramsey, son of O. P. Ramsey, 48 Partridge lane, Daly City, has arrived at the Scott field, Illinois, Army Air Forces Technical Training Command post where he will receive an intensive course in radio operating and mechanics to fit him for duty as a member of a fighting bomber crew.

Upon graduation, Ramsey will be well qualified for duty as an expert radio operator or technician wherever his services are required by the U. S. Army Air Forces.

Scott field is located 6 miles from Belleville, Illinois.

Raymond Welsh Jr. Gets Promotion

Corporal Raymond J. Welsh Jr., who visited in Daly City during Easter week with his parents, Mr. and Mrs. Raymond Welsh, 553 Hanover street, has just received a promotion to sergeant.

Welsh, a graduate of Jefferson Union high school, class of '40, is stationed at March field, California. He is with the aviation battalion of the U. S. Army Engineers.

In his younger days, Welsh was a member of Troop No. 149, Boy Scouts, and of a Sea Scout unit in San Francisco.

ARE YOU AN AMERICAN?

This is American Citizenship week, nationwide. If you have lived here for a long time without becoming a naturalized citizen, do it now. For if you have been receiving the benefits of Uncle Sam's big heart and open hand all these years, you owe him full allegiance. Give him your whole affection. We are that "one nation, indivisible."

And if you were born in America, rejoice in it. Study to appreciate the opportunities that fact gives you. Read your country's history. Enjoy its greatness, and resolve to help it overcome its weaknesses.

The ideals that brought pilgrims to the shores of this great continent were great ideals—love of freedom, of family, of individual rights, and strength to see that these should survive the willful intention of men's wrong motives.

Of course, the pilgrims brought with them human natures! They did petty things. They could be intolerant, even making some wear scarlet letters, burning others at the stake for witchcraft. But perhaps it took some such fanatical zeal to see them through the terrors of building a life in wilderness and swamp and untamed plains among savages and wild animals.

Few Americans migrate elsewhere to become citizens, but the world's inhabitants make a beaten track to our door. That, too, is significant. However many our mistakes, no country on earth so strongly believes in, and practices, freedom, justice, democracy.

Appreciate your citizenship—your right to live in America. Defend it. Defend freedom of speech, of religion, of assembly, and of the press. We, alone, possess such rights of all countries.

See that you help America keep intact those ideals on which she was founded. It is our heritage to love life, to live fully, to live and let live. Let us dedicate ourselves anew to good citizenship in America.

AT JEFFERSON HIGH

NATURALIST SOCIETY

What fun! The party given to the seniors of the Naturalist society, Saturday,

May 1, was a success. All who attended had a good time. After skating, all members went to Barbara Blecher's home for refreshments and entertainment. Everyone enjoyed the refreshments, but they were too tired for anything else, so the party was adjourned.

There were two members who didn't have such a good time. They were Doloris Thomas and Carmela Boscolo. The reason was they both were in the hospital with an appendectomy.

On May 23, the club is planning another field trip. It will probably be the last one before school closes.

RALLY

That's what you call school spirit! The rally given Friday, May 7, in the gymnasium at Jefferson, proved how much spirit the school really has. Maybe it was the new yell, maybe the new outfits!

The rally was for the South City-Jefferson baseball game. For a skit a broadcast of a baseball game was put on by some of the yell leaders.

A new yell has been added. It's called the Victory yell. To make it look better the yell leaders wore red, white, and blue outfits. The band, under the direction of Oscar Busch, played several numbers.

ABOUT SCHOOL

Something new has been added. At the Junior Jinx - Block J Jive, Friday, May 7, a new dance was introduced. It is called the schottische. It seemed to go over pretty well, considering it was the first time it had been tried at one of the dances.

The Junior Red Cross girls are selling stamps with the Junior A. W. V. S. girls at both lunch

periods and in the morning. The following are Junior Red Cross girls who have done splendid work in selling stamps for the first time: Beatrice Seidel, Mary Seidel, Bianca Ratto, Dolores Caserza, Elizabeth Newton, and Darlene Copeland.

SPORTS

The G. P. A. L. basketball tournament was started Monday, May 3. Three games were played Monday and four on Wednesday. The remaining games were played, Monday, May 10. Three clubs are tied with two wins each; club 2, Isabelle Schioldager, captain; club 3, Colleen Robin, captain; club 5, Georgette O'Brien, captain.

G. P. A. L. swimming began Tuesday, May 4, with Anita Lehigh as manager. Practice of various swimming strokes, races, special events and diving have been planned for the season.

During the past two weeks the following girls have passed the Red Cross Beginner's test: Fern Willingham, Alma Simonetti, Margaret Morgan, Betty O'Keefe, Victoria Filios, Lillian Altman, Louise Miller, and Doris Luther.

G. P. A. L. badminton is scheduled to begin, May 17, with Kay Lyons as manager. She reports that approximately forty have signed up for this sport.

At the rally, Friday, Block "J" awards were presented by Lieutenant Juanita Young, former advisor of the G. P. A. L. now with the WAACS, to the following girls: Barbara Gregor, Nancy Sorg, Vivian Thorsen, Doris Verengo, and a G. P. A. L. manager's block went to Mary Seidel. At the conclusion of the presentation of awards, Miss Seidel presented Lieutenant Young with a gift on behalf of the G. P. A. L., the girls of Jefferson and Principal James Ferguson and his faculty.

May 21 Whist Will Benefit OLPH Church

Ladies whose surnames begin with K and L are to be in charge of the May whist for the benefit of Our Lady of Perpetual Help church. It will be held, Friday evening, May 21, 8:30, at Masonic hall.

There will be a cash first prize and other nice awards. The public is invited to attend and enjoy a pleasant evening of whist.

Emydian Institute Plans Bridge Tea

Emydian Institute No. 154, Y. L. I., will hold a bridge tea for members and guests at the Palace hotel in San Francisco, Saturday, May 15. The bridge game will start at 2 p. m. and tea will be served at 4 in the Rose room. Hostess for the day is Mrs. Imelda Laramie.

Tomorrow evening, May 14, the institute meets for its regular business session, at 8 in Holy Angels hall.

Officers and members of Emydian institute were reminded, this week, of the district conference to be held in Redwood City, Monday evening, May 17, at Mount Carmel hall.

Plans are now nearing completion for the official visit of the grand president, Miss Mary C. O'Brien, to Emydian institute, Friday night, May 28, at Holy Angels hall. Invitations to grand officers and district leaders are already in the mails.

READING & WRITING

BY Edwin Seaver AND Robin McKown

THE latest addition to the ranks of Book-of-the-Month Club authors is Mark Aldanov, whose novel "The Fifth Seal" is the Club's May selection.

MARK ALDANOV

Two days before the Germans entered Paris, Aldanov and his wife left for America where they now live. "The Fifth Seal" was finished in New York in 1942.

This might be characterized as a novel about the decay of European society just prior to the present war. So enthusiastic were the four judges of the Book-of-the-Month Club about Aldanov's novel, that each of them wrote a report on it for the current Book-of-the-Month Club News. Here are some of their comments:

Dr. Henry Seidel Canby, chairman of the committee, writes, "It is the kind of novel which is perhaps hardest to find in contemporary fiction—an ironical, humorous, poignant novel of character." And novelist Dorothy Canfield Fisher: "The special joy for me in the rich feast spread out in 'The Fifth Seal' is the series of portraits. . . . Looking back at them, I find it hard to believe that the subjects are the imaginary figures of a novel, not actual historical personages."

Christopher Morley, novelist and belle-lettrist, comments: "From each of his characters Mr. Aldanov expresses the most frolicsome juices of vintage comedy." And William Allen White: "It has a new squint at modern life. This originality—aside from the uncanny characterization—is the main ground on which I should recommend it to the average reader."

When the Japanese invaded the Aleutian Islands, native inhabitants of the bare, windswept country were hurriedly transported to the mainland to get them out of the danger zone. Many of them according to Joseph Driscoll, author of "War Discovers Alaska," complained that their new home had too many trees and not enough room to walk around in.

"Do you know what a tree is?" Driscoll asked one of the youngsters. "Sure," answered the boy. "A tree is a stick with grass on it." "Did you ever see a tree before?" Driscoll continued. "Sure," said the boy. "At Christmas time. Christmas trees our teachers bought for us." "Christmas trees?" repeated Driscoll. "Where did you get Christmas trees?" The boy beamed. "From Sears Roebuck," he said.

TIN

Schools Hit New Collection High

Tuesday, May 4, was a banner day in Daly City's tin salvage drive, according to R. L. Crane jr., who reports that that date saw over 5 tons of tin hauled off to the Metal and Thermit plant in South San Francisco. Lest the goods news produce a relapse in activity in this important salvage field, Crane asked everyone to concentrate even harder than before on this war program. "Save your tins, prepare them properly—they are vital to war production," he announced.

"If no tin collectors (grammar school pupils) call at your home regularly, just drop me a post card with your name and address and I'll notify the proper school," Crane said. His address is 344 Santa Barbara avenue.

Last week's big success was achieved as a result of a competition held in each school to see who would win a trip to one of the nearby air fields. At Crocker, James Fillipo was winner; at Woodrow Wilson, Pauline Johnson; at Jefferson, Robert Benassini. Benassini and Fillipo were taken to Moffet field, Saturday, in the Red Cross ambulance. In addition to a tour of inspection, they were privileged to present two booktrucks to the hospital at Moffet field.

The other winner, Pauline Johnson, accompanied a group to Hamilton field, Saturday. Mrs. Ruth Mayo, sewing supervisor for the district schools, and Superintendent Crane drove a party of youngsters to Hamilton to deliver 190 bedside bags and 10 cushion covers, made by Junior Red Cross sewing classes here, to the hospital at the field. In the party were Gordon Cady, Robert Thompson, and Arnold Hegelund representing the arts and crafts classes; and Edna Templin, Dolores Winter, representing Crocker sewing classes; La Verne Torkelsen, Hazel King, Woodrow sewing; Gladys Lagomarsino, Isola Funai, Jefferson sewing.

Daly City Buys \$98,975 In Bonds

John Degliantoni, chairman, reports today that in the Treasury Department's Second War Loan drive, conducted in Daly City during the month of April, \$98,975 worth of bonds was purchased.

The two local branches of the Bank of America, Daly City and Colma, and the Daly City and Colma postoffices were sales centers in the campaign.

Degliantoni issued a statement of appreciation to the local people who purchased bonds here during the nation-wide drive to raise \$13,000,000,000 for war expense.

In conclusion he reminded the public that until the war is won "all of us must continue to invest very liberally in these bonds."

Gray Releases Gas Instructions

(Continued from Page 1)

Daly City consists of Gray, senior officer; Oscar Busch, M. Van Weynan, Claude Cattori, Horace Maffei, Joseph Maffei, John Foreman, and Joseph Leonetti.

In releasing the instructions, Gray pointed out that local residents should stand ready to open their homes to anyone caught out in a gas raid. He also requested the public to clip and post in their homes this set of rules:

Enthusiasm Greet Refreshers Classes

R. L. Crane jr., supervisor for first aid training in Daly City, reports that the current refresher course for first aid team members has been enthusiastically received, with approximately thirty Civilian Defense workers taking advantage of the classes.

The course, which meets on Tuesdays at 344 Santa Barbara avenue, 7:30 p. m., will conclude with the May 25 session.

On Tuesday night, May 18, shock and artificial respiration will be the subjects dealt with by a panel of instructors including Henry King, Mrs. Catherine Foreman, James Robertson and Dean Wood. Tuesday, May 25, the wind-up session, will find Frank Coughlin, John Emerson and Wood directing a study of transportation as it relates to first aid. On the same evening a sound film prepared by the American Red Cross, "Before the Doctor Arrives," will be shown.

On May 4, Miss Ella Redkey, Miss Claire Nace, Mrs. Foreman, Mrs. Eva Gray, Mrs. Eleanor Nieland, and Mrs. Kathryn Hadley were teachers for the subject of anatomy, including pressure points, additional injuries to the bones, muscles and ligaments.

Traction splinting and bandaging were reviewed at the Tuesday, May 11, session. Instructors were Emerson, Mrs. Louise Robertson, Mrs. Janet Delucchi, and Mrs. Muriel Pabst.

Senior Air Raid Wardens Meet Tomorrow Evening

Harry Melicker, chief air raid warden, will call the regular meeting of the Daly City Senior Air Raid Wardens to order at 8 p. m. tomorrow, May 14, at the city hall, 75 Wellington avenue. Under consideration will be the problem of Daly City's lack of fire watchers, the shortage of messengers and wardens in some sectors, and contemplated tests to be held according to the nine police districts.

At tomorrow night's meeting, dates for the patriotic films to be shown under the auspices of the senior wardens will be set. These include an illustrated lecture on the repair of household appliances and a moving picture on the war effort prepared by the P. G. and E.

All senior wardens and assistant senior wardens, day or night, are urged to be present at the meeting.

The instructions which follow are limited to self-aid for blistering gases, the type most likely to be used. These instructions should be clearly understood and memorized by everyone. If another type of gas is used, the public will receive instructions at the time from the local gas officers who will have been sent into the field at once to identify the gas.

A. If you're at home when war gas is released by enemy plane or shell fire:

1. By an alarm selected by your local Defense Council you will be warned by the warden that gas is being spread. You should know what this alarm is. Ask your local Air Raid Warden.

2. When you hear the warning, immediately close all windows and doors. Cover broken windows with wet blankets. Go upstairs if you live in a two story house. Keep quiet until notified by your warden that it is safe to open the house.

B. If you are out of doors when war gas is released:

1. Get out of the gassed area by moving quickly without panic across wind. Breathe as little as possible.

2. Put on gas mask if you have one.

3. Avoid stepping into or having contact with any oily liquid on streets or walks.

C. If you suspect that you have come into contact with liquid or vapor of war gas:

1. Don't try to identify gas. Go immediately to nearest house where there is running water. Hurry if you wish to avoid serious burns.

2. Remove your outer clothing and shoes before you enter the house and leave clothing outside. Don't touch anyone.

3. Wash out your eyes by dipping your head into a basin of water. (Use a solution of baking soda—1 teaspoonful in a glass of water, if this is available.)

4. If any of the oily liquid has dropped on your skin, blot it off with toilet paper or other absorbent tissue. Blot—don't rub. Apply a solution of household bleach containing Chlorine (Chlorox, Purex, or Saniclor are examples.) Have this available.

5. Get into a shower if available. Lather well with soap. If only a tub is available stand in tub and pour water over body with a bucket or kettle. Don't sit in tub of water. Wash entire body including hair. Use plenty of soap and water. Blot dry with a towel.

6. Put on fresh clothing.

7. Keep quiet. If your lungs feel irritated, lie down. Call a doctor later if burns appear or if you develop a cough.

Canning season just ahead

This year the legion of home canners will be far larger than ever before. And with the canning season just ahead, it's none too soon to start planning now for this food conservation event.

Plan Your Canning Budget

Of course, the amount of home canning you do will depend upon the size of your family. It is just as wasteful to can too much as it is to pass up the canning season altogether. A fair allowance for the average person is 100 quarts of canned fruits and vegetables a year. This figure includes both home and commercially canned foods. Divide that 100 quarts in thirds, one-third for fruits and berries, one-third for tomatoes and tomato juice, and one-third for vegetables with a large portion in leafy and green vegetables, and you have a rough estimate of your family's needs for the year.

This allowance doesn't include jellies, pickles, relishes and those extras that pep up the menu the year around.

Take Inventory

Check your canning equipment first. A large preserving kettle is a "must" for fruits and berries and tomatoes. Unless you have a pressure cooker or can borrow or rent one or share with your neighbor who has one, just forget about canning vegetables, meat, poultry and fish. It is folly to even attempt to can these things in any other way.

Jars, Lids, and Glasses

Assemble all your jars that can be used for sealing. Some mayonnaise and peanut butter jars and other jars can be used if they take the standard size self-sealing lids. Check the mouths of the jars and discard all those with chips, cracks, or flaws, for such defects make perfect sealing impossible. If you've half gallon jars, plan to use them for tomatoes and fruits. They are too large for the proper penetration of heat for other foods.

Glasses and jars which can't be sealed can be used for jam and sealed with paraffin.

Storage Space

Be sure there's enough storage space for your canned goods before you plan too much canning, for if you haven't a place to keep them, don't can—foods will spoil! They should be stored in a dark, cool place. It is not wise to keep them in the kitchen because of the heat from cooking.

FOR EASY COOKING IN A LIMITED SPACE

If you are cooking on a two-plate stove or one plate burner behind a screen—or if your space is very small, you'll want to read "Cooking In A Kitchenette" in this week's Family Circle magazine. Free at Safeway—a new issue out every Tuesday.

NOTICE OF TRUSTEE'S
SALE OF REAL PROPERTY AT PUBLIC AUCTION

On Friday, the 28th day of May, 1943, at the hour of 10:30 o'clock A. M. of said day, at the front entrance of 75 Wellington Street, Daly City, California, ALVIN L. DOVE, as the present trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, without warranty, express or implied, the following described real property, situate in the City of Daly City, County of San Mateo, State of California, particularly described as follows:

Lot Numbered Fifteen (15) in Block Numbered Fourteen (14), as shown on that certain map entitled "Map No. 1 Vista Grande, San Mateo Co. Calif.", filed in the office of the County Recorder of San Mateo County, November 5, 1906, in Book "C" of Original Maps, at Page 35, and copied into Book 4 of Maps, at Page 41 thereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by William F. Bernell and Gertrude Bernell, his wife, trustors, to E. L. Tremain, as Trustee, for the benefit and security of V. Tremain, as beneficiary, dated January 1, 1929, and recorded January 7, 1929, in the office of the County Recorder of the County of San Mateo, State of California, in Volume 391 of Official Records, at Page 130.

On December 1, 1933, by mesne assignments, KATE EASOM, an unmarried woman, was assigned all right, title and interest of the said beneficiary, which Assignment was recorded in the office of the County Recorder of the County of San Mateo, State of California, on January 16, 1934, in Volume 604 of Official Records, at Page 483.

Notice of breach of said obligation and election to sell said real property was recorded in the office of said County Recorder of the County of San Mateo, State of California, January 17, 1942, in Volume 987 of Official Records, at Page 411.

This notice is given in compliance with the demand heretofore made on the trustee by the beneficiary.

Dated: May 1, 1943.

Robert Capps
Completes Second
Phase of Training

Aviation Cadet Robert Capps, son of Mr. and Mrs. Walter Capps, 345 Winchester street, Daly City, has completed the second phase of his flight training at the Army Air Forces Basic Flying school, Gunter Army Air field, Montgomery, Alabama, it was announced today. Prior to his arrival there, he had received his primary training at Decatur, Alabama, where he obtained 60 hours in the air in primary training planes. He was appointed an aviation cadet April 25, 1942.

While at Gunter, Aviation Cadet Capps has logged approximately 70 hours in basic training ships. Those flying hours include cross country navigation flights, night flying, and formation flying. His advanced flight training will be given in another school in the vast Army Air Forces Southeast Training center. After the

Firemen's Annual
Ball Huge Success

"Final financial reports are not made yet, but I think it was the most successful affair we have had yet!" exclaimed Fire Chief Andrew P. Chesney in commenting on the annual firemen's ball held for the benefit of the Widows' and Orphans' association, Saturday night, at Colombo hall. He announced that E. Rogers and Fred Parker were the recipients of the special awards of the evening.

"There was a splendid crowd and we all had a grand time," the chief said.

May 11, 1943

Daly City Record:

The officers and members of the Widows' and Orphans' association wish to take this opportunity to thank you for the splendid publicity and cooperation you gave in your publication, in regard to our annual dance held on Saturday night, May 8.

We thank you again for your aid in making the affair the success that it was.

(Signed) General Committee
Chief A. P. Chesney

May 11, 1943

To the General Public:

The Widows' and Orphans' association of the Daly City Fire department wishes to take this opportunity of thanking its many friends, both in Daly City and other towns, for aiding it to make the annual dance the successful affair it turned out to be.

(Signed) Chief Chesney.

completion of his advanced training, Capps will be rated a pilot in the Army Air Forces.

Capps is well known in Daly City, where he attended local schools.

Woman Breaks Leg
In Fall At Home

Mrs. Emma Johnston broke her leg, when she tripped over a rug at her home, 200 Los Olivos avenue, Monday afternoon. The telephone operator at the Randolph station reported the accident to the Daly City Police department, after Mrs. Johnston called for help.

Sergeant Ricco Benedetti and Arch Banfield, city employee, responded to the call. They summoned Dr. Ivan T. Budaeff, who ordered Mrs. Johnston to the hospital.

ALL CLEAR!

Tojo and Hitler won't like this. **ELECTRIC POWER** for the building of ships, the making of munitions of war and the production of food for the United Nations, flows unceasingly from our scores of generators in the high

mountains. Fighting winter's snow and sleet, wind and rain, our patrols have kept the high voltage lines open and operating. It's their way of beating the Japs and the Huns. They're good soldiers, these seasoned, toughened, expert linemen.

The
P.G. and E.
Army

Twelve thousand strong, the men and women employees of this company are carrying on. More than 2100 of their fellow workers already have gone into military service. Those that remain know the serious importance of their

task. They know that maintaining unbroken service of gas and electricity to the war industries strengthens the hands of MacArthur in the South Pacific and Eisenhower in North Africa. These utility workers, each one doing his bit of the multitude of prosaic jobs involved in efficient delivery of electric power and fuel gas, are making a magnificent record of accomplishment. They are an army in themselves, always attacking, always on duty. We are proud of them.

Electric Power

When and Where Needed

"Long before Pearl Harbor, the Company began its preparations for meeting the anticipated requirements of the nation's rearmament program. We have been able at all times to meet promptly and fully, with an adequate margin for contingencies, the maximum simultaneous demands of almost a million electric customers. The peak power demand during 1942 was about 250,000 horsepower higher than the 1940 maximum, but in the intervening period more than 300,000 horsepower was added to our system through the construction of new plants or under contracts with other producers. We will add another 300,000 horsepower of capacity during 1943... We are doing our utmost to serve our country's war effort."

Danny Casentini Weds Mary Codemo

Danny Casentini, popular young man in the Daly City area and now a private first class in the U. S. Army, claimed Miss Mary Frances Codemo as his bride at Guadalupe church in Santa Barbara, Sunday, May 2. The young couple were married in a double ring ceremony at mass.

After the wedding, a dinner for relatives and friends was held at Tony's Log Cabin. Among the guests were Mrs. Guido Casentini, mother of the groom; Miss Eleanor Casentini, his sister; Mrs. Attilio Casentini, his aunt; Mrs. Albert Casentini and daughter, Lola; Mr. and Mrs. Varni, all of Daly City. Another local man, Corporal Peter Silacci, came up from Pasadena for the wedding.

Best man was Sergeant Joe DiPietro. Maid-of-honor was the bride's sister, Miss Elvira Codemo. Several solos were sung for the couple by Mrs. Joe DiPietro.

The bride wore an apple-green dress suit with black accessories and three large orchids. She is the daughter of Mr. and Mrs. Peter Codemo, of Santa Barbara. Her brother is an aviation cadet at Eastern Oregon State college.

The newlyweds are enjoying a wedding trip and are visiting with the groom's parents at 124 Mateo avenue here. Casentini, who is stationed at Santa Barbara in the Quartermaster corps, received a 15-day furlough. They will make their home in Santa Barbara.

Casentini attended Jefferson Union high school, while his wife received her education in Santa Barbara, her home-town.

Local Students At S. M. Jaysee

From Daly City and Colma the following students have been enrolled at San Mateo junior college: **Mary Becker, Beatrice Bordson, Bruce Brown, Walter Lehigh, Louis and Robert Nava, Robert Seiler, Fred Waterman, and Norman Wiseman.**

San Mateo junior college will close the present semester, June 18 with the twentieth commencement and sophomore formal dance closing the term. While there will be no summer school, this year, as the students will work in war industries or on the ranches, the college will have a number of courses open dealing with civilian war defense and war industry training.

Colma P. T. A. Announces Whist

Colma P. T. A. has arranged to hold its next regular monthly whist party, Tuesday, May 18, 2 p. m. at Jefferson annex. There will be a cash first prize and other nice awards. The public is invited to attend, according to Mrs. James Burgard, chairman, who is being assisted by Mrs. Dorothy Remington and Mrs. Stanghellini.

Yesterday, May 12, the unit held a dessert luncheon at the home of Mrs. Ray Lagomarsino, Gambetta street. An afternoon of sewing followed.

Preceding the business meeting, Tuesday, May 4, members of Colma P. T. A. witnessed a film shown to sixth, seventh and eighth graders at Jefferson grammar school. Title of the patriotic picture was "The Land of Liberty."

Tula Council Sets Whist Date

Mrs. Martha Sanders, chairman, and her assistant, Mrs. Cora Ray, issue a cordial invitation to card players of this area to attend the whist party of Tula Council No. 236, Degree of Pocahontas, Wednesday evening, May 19. The game will start at 8:30 p. m. at Eagles hall.

The group announces a cash first prize and many other attractive awards.

EAGLES ELECT OFFICERS FOR TERM

Officers and delegates for the coming year were elected by Colma Vista Grande Aerie No. 1848, F. O. E., at their regular business meeting, Thursday evening, May 6.

Selected to head the new corps of officers was Roy Allain, president. Other officers include:

Roy Allain

Glenn Wilkes, vice-president; Bill Brush, chaplain, Bill Bolger, secretary, Otto Schramm, treasurer; Allen Brush, conductor; Emil Bertelli, inside guard; Elwin Smith, outside guard; William Miller, trustee; Allen Brush, Dan Gray, William Miller, E. J. Smith, delegates to state convention; Emil Bertelli, William Brush, Gordon King, Glenn Wilkes, alternates.

On Thursday evening, May 20, the local aerie will hold its annual Mother's Day initiation. This will be the last initiation of this term and aerie members are urged to help finish the 1942-43 year with "a big class, a big attendance and a big feed."

The whist party given by the aerie, Monday night, May 10, was a success.

Veteran Firemen Hold Regular Monthly Meet

Comrade President J. Kester presided at the regular monthly meeting of the Daly City Veteran Firemen's association, Friday night, May 7, at the group's hall, 188 Santa Barbara avenue.

After the roll call, reports on the sick and convalescing were made and wishes for their speedy recovery were expressed. Stories about past fires in this area were told.

The man with the extra wide smile for the evening was Past President L. Shaw.

Tickets were purchased for the fire department's dance, May 8. A buffet supper was served and those present enjoyed refreshments and a social get-together.

Congressman Anderson Describes Tax Fight

Congress today faces one of the greatest tax fights in the history of the country, as the law makers get back to work following their recent recess, according to word received from Congressman Jack Anderson. Anderson is back in Washington following a recent trip to his home district, during a wartime investigation for the House Naval Affairs committee, of which he is a member.

In addition to the tax fight, Congressman Anderson reports rapidly increasing support for some sort of anti-strike legislation since the walkout of coal miners threatened to paralyze the nation's war program. Even though the strike was of short duration, Anderson declared it lasted long enough to reveal vividly the need to curb a repetition, which might be of greater duration.

The congressman branded the defiance of John L. Lewis and his cohorts as a challenging blow to the morale of the country and its armed forces. He charged this nation cannot win a war when workers safe at home tie up supplies so badly needed by our men on the fighting fronts. Anderson expressed the belief the administration may be "getting a little sick of its labor-coddling policy."

APRIL REPORT

T. C. Rice, San Mateo county recorder, has submitted his report for April, 1943. It reveals that there were 134 births, 65 marriages, and 108 deaths during the period. Number of papers handled totaled 2,339.

Establish Quarantine On California Mussels

It's that time of year again! A quarantine has been established of all mussels from the shores of California, extending from the California-Oregon boundary south to the California-Mexico boundary, including the Bay of San Francisco.

The quarantine order, issued by the San Mateo County Department of Public Health and Welfare, is effective May 1 to October 31, 1943. During that time mussels may not be sold for anything but fish bait. They are unfit for human consumption. It is unlawful to take, sell or offer mussels for sale during the period.

At the same time the health department advised the public that clams taken from these waters should be cleaned and washed thoroughly and that all dark parts should be discarded because the poison, when present during May to October, is in the dark tissues. Only the white meat should be prepared for cooking and eating.

AT CROCKER

Crocker pupils took to the sea in their previously organized Junior Navy "Ship of Tin," as 36 youngsters in the school entered a contest for the greatest amount of tin collected. James Fillipo, high sixth grade student of Room 4 won the contest and a trip to Moffet field, as he collected 1,740 pounds of tin himself. Next highest was James Yonan, also a high sixth grade student of the same room, who collected 1,644 pounds. Third highest was David King, high seventh of Room 6, who collected 1,612 pounds.

All together the school collected several tons of tin. Crocker student body and teachers are very proud of the record set by their patriotic students.

Following are the names of the students who participated in the contest: Esther Hukari, Eunice Robertson, Reinhold Peterson, David King, Howard McCarten, Richard Ryan, Theresa Mabon, Mary Lee Lund, Beth Calvin, Franklin Whorley, James Fillipo, Kenneth Sanguinetti, Lilly Templin, Peggy Chamberlain, James Yonan, Mary Montano, Jean Rusting, Marlene Wyler, Gloria Naccarini, Bob Lawson, George Haley, Rita Hernandez, Wanda Sadler, Walter Anderson, James Bridges, Alberta Kingsland, Allan Peterson, Gary Chamberlain, Donald Roberts, Bernie Goldstein, Jack Sheehan, Robert Bloom, Audrey Tilson, Beatrice Cassasa, Patricia Holcomb, and Robert Bernicchi.

HANDBALL

The third game in the handball series was played at Crocker, last Friday. This time only boys participated and Crocker was the winner.

Horace Siino, Room 6, spent a recent weekend with his parents at their summer home in La Honda.

Last Sunday, Gloria Naccarini, Room 4, visited with relatives in Turlock.

Eastern Star Invites Public To Whist Party

Crocker Chapter No. 382, O. E. S., will hold its annual pillow case whist, Monday evening, May 17, at Masonic hall, Hillcrest drive. Mrs. Henrietta Mather and all 1943 officers are in charge.

There will be refreshments and many attractive awards. A brief stated meeting will precede the public whist, which starts at 8:30 p. m. The committee announces a large selection of Piquot slips as prizes.

Pershing P. T. A. Holds Installation Of New Officers

General Pershing P. T. A. held its annual installation of officers and teachers' luncheon at Pershing school, May 4 at noon.

A delicious luncheon was served to teachers, guests, and members. The tables were beautifully decorated with flowers. Mrs. Ann Eason and Mrs. Sara Nordgren were co-hostesses with the help of their committee.

Guests at luncheon were Mr. and Mrs. R. L. Crane jr., Mrs. Stella Jensen, Mrs. Catherine Foreman, Mrs. Ida Hanley, Mrs. Mildred Seiler and Mrs. Elsie Hesslein.

Mrs. Mildred Rasor called the regular meeting to order at 1:30 p. m. Crane led the group in a salute to the flag, followed by the reading of the Collect by Mrs. C. Leach.

A short talk was given by Crane on being more "tin can conscious." Mrs. Mazie Boyle told the ladies of the new U. S. O. club which is being organized for servicemen in Daly City.

Members are making plans to have an afternoon whist, May 21, at Pershing school, 1:30 p. m. The executive board will be in charge.

A Life Membership pin was presented to Mrs. Nordgren by Mrs. Eason. Mrs. Nordgren has been an active, hard-worker over a period of many years.

Mrs. Jensen then installed the new officers for 1943-44. They are as follows: president, Mrs. Sophie Evans; honorary vice-president, Miss Winifred McGrath; first vice-president, Mrs. Louise Eliassen; treasurer, Mrs. Cecelia Hale; corresponding secretary, Mrs. Amelia Siino; recording secretary, Mrs. Frances Haussler; financial secretary, Mrs. Janet Delucchi; historian, Mrs. Getha Mejia; auditor, Mrs. Marge Calvin; parliamentarian, Mrs. Mildred Rasor.

Mrs. Rasor turned the gavel over to the new president, Mrs. Evans chose Mrs. Rasor and Mrs. Eliassen to be her delegates and accompany her to the publicity luncheon in San Mateo, May 20.

Before the meeting was adjourned, Mrs. Haussler, on behalf of the members, presented the outgoing president with a lovely mirror as a token of love and friendship.

Mrs. Evans has appointed Mrs. Eva Derrick to serve as publicity chairman for 1943-44.

YOUR JOB AT HOME

EVERY housewife has so much on her mind, these days, that it's a little difficult to keep everything in mind. We can't trust our memories to hold all the isolated bits of information that are necessary for doing a good job at home. We've got to write things down!

Get system into your remembering. Buy a bulletin board in your local five-and-ten. Or get your husband to square off a piece of soft wood into which you can stick thumb tacks. Get that board up in your kitchen as soon as possible. It will help save gas, energy, needless steps—and your disposition!

Have one pad on the board for listing things to buy on your next shopping trip. As items come to mind, write them down immediately. If errands in town are listed, you'll be less apt to forget something!

Reserve another section on the bulletin board for rationing information. Have a pocket for the family's ration books. Post in this section the dates when coffee and sugar coupons are valid; when your meat coupons are currently usable. Make a note to remind yourself that under coffee rationing regulations each stamp entitles you to a specific amount of coffee. This applies whether you buy 100% coffee or mixtures which are only part coffee and part something else. Remind yourself to read the label on the coffee you buy to be sure you're getting all coffee. And don't waste your coupon by neglecting to claim the pound that's your rightful due. The boys in camp get their coffee first, you know, and doing without coffee entirely is not only unnecessary, but unfair to yourself and family.

Also tack up a point value chart on your bulletin board. And keep a general memo pad. Things you should remember to do may be overlooked in the rush of a busy day, if you don't write them down.

Daughters Unit To Select Leaders

Election of officers for the Daughters Unit, Old Glory Auxiliary No. 2044, V. F. W., is slated for Saturday, May 15, at 188 Santa Barbara avenue. President Louise Miller will open the meeting at 2 p. m.

This will be the first meeting for the Daughters unit in several months and all members are urged to be present.

PAL LEAGUE CLOSES

Closing PAL league baseball play for the season, the Jefferson Indian nine wound up in fifth place among the seven teams entered, taking an 11-0 drubbing from the South San Francisco Warriors, Friday, on the Daly City diamond.

Freeman did mound duty for the Indians and allowed nine hits, while his team mates connected for only two safeties off Bazzani, one each by Perada and Arthurs. Although the visitors scored one run in the first inning and added three in the fourth, their big rally

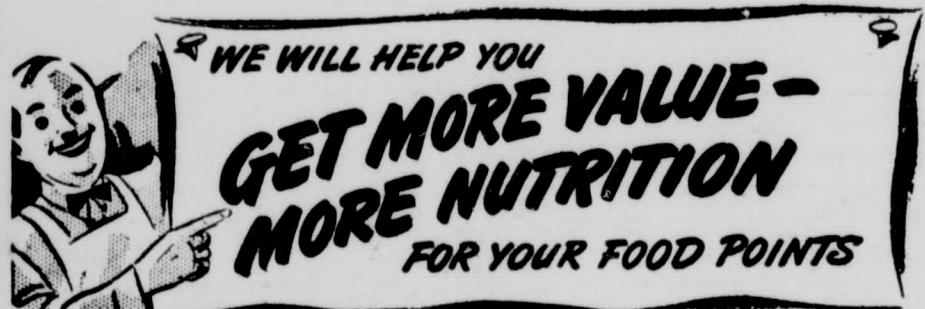

came in the sixth, when they tallied seven times on a combination of two hits, three Jefferson errors, and a batter hit by a pitched ball.

George Fair, local centerfielder, finished as Jefferson's leading hitter in league games, although he went hitless Friday, with an average of .367 for the six contests.

Coach Glenn South has announced spring football practice to replace baseball on the seasonal athletic schedule.

Events in the past several months have shown many advantages in dealing with a friendly neighborhood food merchant. We were able to look after our customers much more to their advantage during recent critical shortages than were the larger high-volume stores.

There is every reason to believe that this added service will continue to be of great value in the future. Avail yourself of this, among other extra features which are yours at competitively low prices at WESTLAKE MARKET.
